

2016 AIA SEATTLE HAPPY HOUR SERIES
IT TAKES TWO
PRESENTED BY YOUNG ARCHITECTS FORUM + WOMEN IN DESIGN
CALL FOR CO-HOSTS

Successful projects often start with great partnerships. In 2016, the monthly AIA Seattle Happy Hour Series will showcase this proposition by allowing firms to partner up and co-host an event. Each "It Takes Two" happy hour will feature a successful partnership and allow local creatives to learn from one another while having fun and networking.

Architect + Engineer // Designer + Builder // Big Firm + Small Firm // Other?

Co-hosts are responsible for providing a space for the event, offering light food and drinks, and designating staff to participate in a discussion on the series theme of collaboration.

If you're interested in partnering to host an event in 2016, please complete and return this form to Missy Garvin (missyg@aiaseattle.org) by 9/11/15. A planning committee will convene this Fall and all respondents will be contacted prior to Thanksgiving.
