
Got Codes? – Practical FHA–ADA–Accessibility Code Compliance

Wednesday, May 23, 2018 | Seattle City Hall, Bertha Knight Landes Room | 600 Fourth Ave, Seattle,

** all sessions/speakers subject to change*

SPEAKERS:

William E. Endelman, AIA, Principal

Mr. Endelman is an Architect and Principal / Owner of E&A, a 24 year old, 12 person consulting firm specializing in accessibility consulting including the ADA, Fair Housing Act (FHA), and Building Code accessibility compliance. E&A has been providing consulting services nationally for over 25 years and is a recognized expert in the field. Mr. Endelman has been hired as a Consultant and Expert Witness in Accessibility in several jurisdictions, consulting for the U.S. Attorney's Offices, the U.S. Department of Justice, State enforcing agencies, and Attorneys for building owners and developers. Prior to founding the firm, he was Project Manager for highly complex projects such as the \$300 million U.S. Embassy Complex in Moscow and the \$97 million renovation of the Federal Building & U.S. Courthouse in San Francisco. He

was Executive Vice President of a 25 person architecture firm and worked in corporate architecture for Bank of America and Security Pacific Bank WA.

Michael B Schneider, AIA, CASp, Principal

Mr. Schneider joined Endelman & Associates PLLC (E&A) after several years as a consultant to E&A, and is now a Principal / Owner of the firm. He has responsibilities including business development, administrative management, consulting and site observation work for our clients. He has an extensive architectural background, with over 30 years Project Management experience which he applies to all his work at E&A. In addition, he has multiple years of experience working specifically with various Building

Codes, Accessibility Compliance, and technical issues. Between 2009 and 2012 he was principal of Commonwealth Development, PLLC, an architecture, construction, and real estate consulting firm. For 11 years, he was Vice President, Northwest Regional Manager at Marx / Okubo Associates, Inc., a firm specializing in property condition assessments. At Heery International for 9 years, Mr. Schneider was Director of Architecture / Construction Program Manager / Senior Associate.
