SPEAKERS

Skye Bredberg AIA, Senior Associate/ Project Manager | Skye is an Architect, Senior Associate, and Project Manager at Weber Thompson. She works on multi-family mid-rise and high-rise projects, ranging from 5-40 stories. Skye is a member of the AIA Codes Committee and is also a member of CREW (Commercial Real Estate for Women). She has a passion for the technical aspects of a project and oversees projects from early concept design through project completion.

Emily Lofstedt, Land Use Planner, Policy and Technical Team | Emily is a Land Use Planner with the Policy and Technical group at the City of Seattle Department of Construction and Inspections (SDCI.) She has worked at the city since 2008 at both SDCI as a Zoning Land Use Planner, Permit Specialist and at the Parks and Recreation Department as a Planner. Currently her focus on the Policy and Technical team is to provide support and guidance to internal and external customers through the land use entitlement process.
