Why Partner with AIA Seattle?

In a time of such uncertainty, relationships are increasingly important to our survival and prosperity. AIA Seattle's Corporate Allied Partner (CAP) program is specifically focused on supporting the development of strategic relationships between our members and our sponsors.

Until we can be sure the Novel Coronavirus is contained and the safety of individuals at in-person events can be assured, AIA Seattle programming will continue to be hosted in the virtual setting – likely the first 6 months of 2021. But be it virtually, or in-person, AIA staff will continue to acknowledge the critical work of our sponsors, thinking creatively on ways to connect CAPs with our members, and ensure every opportunity remains a valuable one.

2020 Corporate Allied Partners

Sponsoring AIA Seattle in 2021 will put you in great company!

Thank you to our 2020 Sponsors:

Opportunities
Each year, AIA Seattle produces a diverse calendar of educational programs and networking events which offer unique opportunities to promote your business directly to the local architectural community and adjacent industry leaders that participate in these events.

Exposure
The shift to an online schedule presents challenges for traditional face to face networking, but there is great strength in AIA Seattle’s education programs and events. Unencumbered by the limitations of a physical venue, our programming is now broadcast via our fellow chapters at both the state and national level, bolstering both participant engagement and sponsor visibility. Our sponsors’ business and marketing goals are key, and we have augmented our traditional benefits with efforts such as additional I AM AIA pieces, and increased cross posting of sponsor stories in our enews and social media.

Positioning
Demonstrate your leadership in the areas that matter to your business and position your company as a thought-leader and source of trusted information. It is an opportunity to differentiate your firm from your competition with the people who can make a difference in your success.

Relationship-Building
Being a Partner is an unrivalled opportunity to gain access to AIA Seattle members and allied professionals and help develop the key relationships needed for your company to maximize its potential in our ever-more competitive industry. AIA Seattle Corporate Allied Partners have exclusive opportunities to reach and be recognized by over 2,600+ related professionals as leaders in the industry.
Identify Your Budget

AIA Seattle offers a robust sponsorship program that will help you connect with your audience and facilitate relationship-building that leads to success. Our sponsorship program works within your budget, starting at $1,000 and up to $25,000.

Select Your Programs

Select one or more educational program(s) or networking event(s) that you would like to sponsor, and determine the level of benefits you would like to receive for each program.
Determine Total Sponsorship

Your program selection(s) will determine your total sponsorship level, giving you either targeted benefits for your 'streamlined' sponsorship (we have multiple single-event opportunities) or organization-wide benefits, which include deep discounts on targeted advertising, brand visibility, and special access to AIA Seattle members throughout the year.

Return Commitment Form + Logos

Submit your commitment form by mail, email, or online, and send us your updated logos. The commitment form ensures that we have your updated information on file and provides payment options. You can pay with a credit card, check or request an invoice.

Get Involved

AIA Seattle will be in touch throughout the year about your program specific benefits. Make sure that you connect with us on LinkedIn, Facebook, Twitter, and Instagram and sign up to receive our enews to receive information on all of the opportunities that we offer.
Select Your Programs
Select one or more educational program(s) or networking event(s) that you would like to sponsor, and determine the level of benefits you would like to receive for each program.

## Building Codes Series

**February–December 2021 // Marketing begins January 2021 // Online**

**Audience profile //** Architects, Contractors, Construction Managers, Owner Representatives, Engineers, Developers, Subcontractors, Urban Planners, and City/Government Employees

**Attendance //** 80–120 per session

**Sponsor profile //** Engineers, Contractors, Developers, Owners, and Subcontractors

**Description //** This year’s series will include 4–5 sessions (2 hrs. each day if virtual; half-day if in-person) that explore a variety of codes-related topics. Each year, codes experts determine the most relevant topics to focus on, including recent local code updates, existing building requirements, accessibility, and compliance issues and implications.

**Firm Leadership Training – Justice & Equity Series**

**Audience profile** // Architects and Allied Professionals in Firm Leadership

**Attendance** // 40–60 per session

**Sponsor profile** // Architecture and Allied Profession Firms, Contractors, Vendors and Manufacturers, Consultants and others invested in the work of justice, equity, diversity, and inclusion

**Description** // This multi-session professional development series is inspired by the Racial Justice Town Halls in 2020 and informed by the work of AIA Seattle’s Justice, Equity, Diversity, and Inclusion Task Force. With the goal of culture change in the profession—specifically to dislodge and undo deeply embedded and systemic white dominant culture norms—this series of trainings will offer firm leaders a framework for critical dialogue, action, and accountability to justice and equity for Black lives.

When Seattle Shakes

February 4 - July 17, 2021 // Marketing begins January 2021 // Online

Audience profile // Members of the Public Interested in Design, Preservation, Historic Neighborhoods or Disaster Preparedness and Response; Historic Preservationists, Architects, Owners and City Officials

Attendance // 1000+

Sponsor profile // Property Managers/Owners, Preservation/Restoration/Seismic Firms, Insurance Companies, Policymakers and Government, Engineers, and Contractors

Description // When Seattle Shakes explores how to align the goals of historic preservation and resilient design by understanding the most effective ways of protecting a city’s historic building stock against earthquakes. Seattle's historic structures, among them many unreinforced masonry buildings, are at risk not only from the numerous seismic faults in the Pacific Northwest, but also from economic factors. Many at-risk buildings continue to have vibrant life in Seattle communities, but have found it challenging to retrofit for earthquake safety. It will take technology, expertise, policy, and social impetus for Seattle to preserve its multi-faceted urban fabric while championing public safety.

Safety-Assessment Program (SAP)

Spring, 2021 // Marketing begins by February 2021 // Online

Audience profile // Architects, Engineers, Building Managers, Inspectors/building officials

Attendance // 35–70

Sponsor profile // Insurance Companies, Hospitals and other Healthcare Providers, Policymakers and Government, Property Managers/Owners

Description // Post-Disaster Safety-Assessment Program (SAP) training provides architects, engineers, and building officials and inspectors with the knowledge to provide evaluation of facilities, buildings, and infrastructures in the aftermath of a disastrous event. This full-day, all-hazards training course will train architects to be first-responders to help folks transition to safely reoccupying or demolishing buildings after a major event.

Climate Leadership Summit

April, 2021 // Marketing begins February, 2021 // Online

Audience profile // Architects, Contractors, Engineers, Planners, Policy Makers, Elected Officials, and Landscape Architects

Attendance // 250-300

Sponsor profile // Engineering Firms, Landscape and Planning Firms, Contractors, Vendors and Manufacturers, and Consultants invested in a more sustainable and resilient built environment

Description // What leverage points allow architects to make the most impact on climate right now? What are the technical skills, research, tools and policies we need today to design for resilient buildings and cities? Our annual climate leadership summit advances research and knowledge, and amplifies the impact of the profession on climate and sustainability. This year’s summit will build upon previous years’ topics, such as resilience thinking and rapid decarbonization, and consider current and changing climate conditions in our region and across the country.

## Innovation in Urban Housing Design

**Summer, 2021 // Marketing begins Spring, 2021 // Online**

### Audience profile
Architects, Interior Designers, Contractors and Subcontractors, Construction Managers, Owner Representatives, Homeowners, and Developers

### Attendance
100-200

### Sponsor profile
Contractors, Developers and Homebuilders, Landscape and Interior Design Firms, Engineers, Trade Groups, and Product Vendors and Manufacturers

### Description
This short program will explore creative design responses to our region’s demand for more housing of all types and for all kinds of people. Specifically, this program will look at how architects can work within existing requirements to provide more affordable and Missing Middle Housing utilizing innovative designs that address a wide array of client needs. We’ll highlight the work of architects who are building their practices around smaller-scale housing design while contributing to urban needs for denser, more livable communities.

Honor Awards for Washington Architecture + President's Dinner

November 2021 // Marketing begins August 2021 // Anticipated in-person

Audience profile // Architects, Engineers, Contractors, and Larger Design Community

Attendance // 800+

Sponsor profile // Engineers, Contractors, Subcontractors, Interior Design Firms, Product Vendors and Manufacturers

Description // AIA Seattle’s marquee program, the nationally-recognized Honor Awards for Washington Architecture explores our state’s best design projects in an event of unique rigor and breadth. This prestigious program, this year to include individual honorees as well, provides an important opportunity for the design community to consider the state of architectural design and share its achievements with practitioners and the community-at-large. The program features a national and often international jury.

*Honor Awards 2020 is hosted as a virtual event and participation and attendance is offered at no charge. Complimentary tickets for 2021 will be offered only in the event of a return to an in-person gathering.
Interested in reaching audiences in Skagit, Whatcom, Island, or San Juan counties? Learn about sponsorship opportunities with our Northwest Washington section, including continuing education courses, an annual Design Awards, and a Scholarship Golf Tournament, by contacting Section Coordinator, Karen Bacon at karen.aianww@aiaseattle.org.

Climate Action Week

Late Fall, 2021 // Marketing begins Early Fall, 2021 // Anticipated in-person
Audience profile // Architects and Allied Professionals, Elected Leaders, and City Officials.
Attendance // 60-75
Sponsor profile // Engineering Firms, Contractors, Developers, Landscape Firms, Interior Design Firms, and Professional Associations.
Description // Climate Advocacy Week is an opportunity to showcase the built environment’s role in combating climate change by advocating for strong sustainability policies with local government. To reduce climate pollution, we must—make significant energy efficiency and energy use improvements in the design and construction of buildings being built today. Attendees will receive everything needed to meet virtually with their representatives to help them to understand the importance of the energy code and the built environment in addressing climate change.

## Determine Total Sponsorship

Add the program(s) you selected to determine your **total sponsorship level** and year-round organization-wide benefits. For example, two programs sponsored at $3,000 each would total $6,000 and position your company as an AIA Seattle Gold Sponsor.*

FAQ

Is this program an event sponsorship or an organization sponsorship?

It can be both! When you sponsor an event at the Bronze level or above, you also become an AIA Seattle Corporate Allied Partner. In addition to being recognized at the program(s) you choose from the list, you are also recognized as a sponsor on our website and receive organization-wide benefits.

Why is there a range for sponsor levels and benefits?

Each educational program, exhibit, or networking event has a sponsor amount associated with it. When you choose more than one event to sponsor, you add those amounts together and that adds up to your total sponsorship with AIA Seattle.

I have products I would like to market to architects. Does AIA Seattle have a trade show?

We do not have a trade show but, when we are able to return to hosting events in person, $3,000+ sponsors are welcome to display products via a display table at the educational program that you are sponsoring.

I have a Continuing Education class or product/service demonstration I'd like to present to architects. Is this a sponsorship benefit?

Presenting is not a sponsorship benefit. However, sponsors are welcome to propose new continuing education programs. Priority is given to programs that complement the ongoing work of member committees, forum planning task forces, and our non-profit partnerships. In general, product-focused lunch & learns are not hosted at AIA Seattle.

Is there a limit to how many sponsors for each event?

There is no limit to most sponsorship opportunities. The Firm Leadership – Justice & Equity Series, Safety-Assessment Training, and Innovations in Urban Housing Design are the only events that have a limit. The Marquee level is only available for one sponsor.

I’m sponsoring an education and/or award program? Do I get to speak or present at the event?

Sponsoring a program does not guarantee presenting opportunities at the sponsored event. As content experts, sponsors may be invited to join roundtable discussions or volunteer on forum planning task forces. We invite you to actively participate as attendees at all events you sponsor!
Corporate Allied Partner benefits in action.

Your company will be visible on the following platforms:
