

Spring 2024 Conference

Opportunities and Challenges of Healthcare Delivery: A Focus on the Urban Environment

Date & Time In-Person Conference: **Friday, May 17, 2024** – 8:30AM to 3:40 PM**Location** Hyatt at Olive 8
1635 8th Ave Seattle, WA 98101**About** Join the [Architecture for Health Committee \(AHC\)](#) for the annual AHC Spring Conference, keynoted by the team from Harborview Medical Center, a Level I Trauma Center for the 4-state region, highlighting their work on the Bond Capital Program. Their presentation will focus on the unique service provided by HMC, the relationship between King County, and the UW Medicine System and their upcoming Bond Program Developments.

A panel of hospital executives will have a moderated discussion on the realities of strategic capital deployment and project delivery in healthcare today and HDR will share design considerations focused on the caregiver. We will also hear presentations from Perkins & Will on the Swedish First Hill Tower, and SRG + Cannon Design will present a virtual tour of the UW Behavioral Health Teaching Facility.
