**AIA** Seattle

[aiaseattle.org](http://aiaseattle.org) | [seadesignfest.org](http://seadesignfest.org)

Dear Business Leader,

At AIA Seattle, we engage a community of 2,800+ members in 10 counties to create and sustain a better built environment. As an allied professional leader, you are a valued partner in the learning, celebration, and development of our members.

As President of AIA Seattle, I am humbled to see the influence of our local AEC community in action as year after year, local firms gain national recognition for their contributions to the built environment. Our members and Corporate Allied Partners (CAPs) continue to move the AEC professions forward through rigorous conversations about equity, resilience, and community impact.

In 2024, AIA Seattle will deliver a range of programs in multiple formats which will enhance skills and knowledge, and foster connections and networking.

The success of these programs hinges on partnership with generous organizations like yours. CAPs have expertise and influence to greatly enrich our programs, and encourage the cross-disciplinary networking and collaboration necessary in today's world.

**I invite you to join us as a CAP in 2024 by supporting a program that will cultivate professional connections and boost the visibility of your organization.**

I look forward to welcoming you as a partner in our community.

A handwritten signature in black ink that reads 'Michele M Hill'.

**Michele M. Hill AIA**  
2023-2024 President, AIA Seattle Board of Directors

# Become a Corporate Allied Partner

Three steps to begin to experience your benefits.

1

## Select Programs + Determine Your Total Sponsorship

**Select one or more educational programs or events** that you would like to sponsor, and determine the level of benefits you would like to receive for each program.

2

## Review Organization-Wide Benefits

Your total amount of sponsorship determines your **organization-wide benefits**, which include promotion of your services or events, deep discounts on targeted advertising, brand visibility, and special access to AIA Seattle members throughout the year.

3

## Return Commitment Form + Logos

**Submit your commitment form** by mail, email, or online, and send us your updated logos. The commitment form ensures that we have your updated information on file and provides payment options. You can pay with a credit card, check, or request an invoice.

## Housing Design Forum

**Late Spring 2024**

**Audience profile** — Architects, Interior Designers, Contractors and Subcontractors, Construction Managers, Owner Representatives, Homeowners, Developers, Urban Designers and Planners, Policymakers, Elected Officials, Landscape Architects, and Advocates

**Attendance** — 100-200

The annual Housing Design Forum explores design trends, policy regulations, practice innovations, and demographic changes that impact professionals designing homes in the Pacific Northwest. This year’s forum will investigate housing of all types, highlighting design case studies and strategies that support plentiful, thoughtful, diverse, and sustainable housing options for current and future residents alike. The program elevates projects with a focus on regional contexts, sustainable strategies, and advocacy efforts, and considers conditions that allow future generations and ecosystems to thrive.

## AHC Conference

**Spring and/or Fall 2024** — Up to Two Events

**Audience profile** — Local and National Architects, Contractors, Construction Managers, Owner Representatives, Engineers, Developers, Subcontractors, Urban Planners, and City/County/State Government Employees

**Attendance** — 100-130 per event

The Architecture for Health Committee (AHC) has been networking and educating healthcare professionals in Washington and Oregon for over 30 years. Coordinated by a team based in Portland and Seattle, AHC offers programs with keynote speakers, project tours, panel discussions, and lightning talks for emerging professionals. These sessions cover innovations, codes, and adaptations in the region's healthcare systems and their interaction with the built environment.

# Honor Awards for Washington Architecture

November 2024

**Audience profile** — Architects, Engineers, Contractors, and Greater Design Community

**Attendance** — 500-700

AIA Seattle’s signature program, the nationally-recognized Honor Awards for Washington Architecture, explores our state’s best design projects in an event of unique rigor and breadth. This prestigious program provides an important opportunity for the design community to consider the state of architectural design and share its achievements with practitioners and the community-at-large. The program features a national and often international jury.

# Building Code Series

**Quarterly 2024**

**Audience profile** — Local and National Architects, Contractors, Construction Managers, Owner Representatives, Engineers, Developers, Subcontractors, Urban Planners, and City/County/State Government Employees

**Attendance** — 80-120 per session

The AIA Seattle Codes Committee, comprised of experts representing the public and private sectors, identify the most critical and pertinent building code-related topics each year for the Architecture, Engineering, and Construction (AEC) professional community. This year's series features four captivating sessions that cover an array of essential building code topics including the latest developments in local code updates, existing building requirements, accessibility, and the intricacies of compliance issues and their wide-ranging implications.

# Justice & Equity Series

**Fall 2024**

**Audience profile** — Architects, Allied Professionals, Firm/Industry Leaders, Emerging Professionals and others invested in the work of justice, equity, diversity, and inclusion in the built environment

**Attendance** — 20-40 per session

This multi-session professional development and continuing education program will build upon our Culture Change in Practice cohort series. The program is informed by the work of our Racial Justice Working Group and AIA Seattle's Justice and Equity for Diversity and Inclusion (JE:DI) Task Force. With the goal of building a more equitable profession and built environment, this series will explore opportunities to advance individual culture competency, organizational equity work, and industry-wide change.

# Safety Assessment Program (SAP)

**Early Spring 2024**

**Audience profile** — Local and National Architects, Engineers, Building/Facilities Managers, Inspectors/Building Officials

**Attendance** — Up to 70

Post-Disaster Safety Assessment Program (SAP) Training provides architects, engineers, building officials, and inspectors with the knowledge to provide evaluation of buildings and larger infrastructure in the aftermath of a disastrous event. This all-hazards course will train participants to help folks transition to safely reoccupying, clearing, or demolishing buildings after a major event.

# Climate Leadership Summit

**Early Spring 2024**

**Audience profile** — Local and National Architects, Contractors, Engineers, Urban Designers and Planners, Policymakers, Elected Officials, Landscape Architects, and Advocates

**Attendance** — 100-200

What opportunities exist for architects to make actionable impact on climate right now? What are the technical skills, research, tools and policies we need today to accelerate a more sustainable, decarbonized, equitable and resilient built environment tomorrow? Our annual Climate Leadership Summit advances research and knowledge, bringing together interdisciplinary leaders and design professionals to amplify the role of the profession in climate and sustainability at varying scales. This year's Summit will continue the evolution of previous topics explored in local, regional, and national contexts, such as resilience thinking, rapid decarbonization, and a just transition, and consider conditions that allow future generations and ecosystems to thrive.

Seattle Design Festival

## Who We Are

Seattle Design Festival (SDF) is a platform for bold design conversations. We believe that design is for everyone and that inclusive co-design practices are essential to shaping an equitable Seattle. We collaborate with diverse communities, architects, designers, civic and business leaders, nonprofits, artists and activists to generate solutions to complex social, cultural and ecological challenges that affect all of us.

### Vision

**We envision a culture of design that fosters equitable, resilient, and thriving communities.**

### Mission

**We unleash the design thinker in everyone to illuminate Seattle's challenges and ignite action.**

## FAQs

### My company is sponsoring an AIA Seattle program. Can we sponsor SDF, too?

Yes! However, AIA Seattle and SDF are separate entities with separate tax statuses. We request that commitments and payments to both organizations remain separate. You will receive a separate acknowledgment letter from each organization for your contribution.

### Is my sponsorship tax-deductible?

Yes. SDF is a nonprofit 501(c)3 and, as such, sponsorships are considered a charitable contribution. EIN: 27-4569299. Consult your tax advisor.

### How can I make the most of my sponsorship?

All SDF Sponsors are encouraged to submit a program for the Festival! Showcase your team's creativity and demonstrate the relevance of your organization's work to a large public audience. As a benefit of sponsorship, your submission fee will be waived! (\$100-\$500 value).

### Can I propose a project/installation without committing to a sponsorship?

Yes! For-profit businesses will be required to pay a proposal fee, but participation is not contingent on a paid sponsorship. We will be in touch in early April to share the 2024 Call For Proposals.

### I have products to market. Does the Festival include booths or a trade show?

No. While Sponsors are eligible to propose a unique Festival installation, program or event, product marketing is discouraged. Participation in the Festival is driven by the goals that align with our mission: 1) highlight the value of your creative process; 2) provide an opportunity for community members to participate in design processes and for the public to influence design outcomes; 3) address or support work around urgent community problems; 4) inspire action and engage others; 5) showcase and celebrate design and our greater design community.
