Dear Business Leader,

At AIA Seattle, we engage a community of 2,800+ members in 10 counties to create and sustain a better built environment. As an allied professional leader, you are a valued partner in the learning, celebration, and development of our members.

As President of AIA Seattle, I am humbled to see the influence of our local AEC community in action as year after year, local firms gain national recognition for their contributions to the built environment. Our members and Corporate Allied Partners (CAPs) continue to move the AEC professions forward through rigorous conversations about equity, resilience, and community impact.

In 2024, AIA Seattle will deliver a range of programs in multiple formats which will enhance skills and knowledge, and foster connections and networking.

The success of these programs hinges on partnership with generous organizations like yours. CAPs have expertise and influence to greatly enrich our programs, and encourage the cross-disciplinary networking and collaboration necessary in today’s world.

I invite you to join us as a CAP in 2024 by supporting a program that will cultivate professional connections and boost the visibility of your organization.

I look forward to welcoming you as a partner in our community.

Michele M. Hill
2023-2024 President, AIA Seattle Board of Directors
2023 Corporate Allied Partners

Gratitude to our CAPs whose support helped us deliver high quality programs and events in 2023.

My company is sponsoring an AIA Seattle program. Can we sponsor SDF, too?

Yes! However, AIA Seattle and SDF are separate entities with separate tax statuses. We request that commitments and payments to both organizations remain separate. You will receive a separate acknowledgment letter from each organization for your contribution.

Is my sponsorship tax-deductible?

Yes. SDF is a nonprofit 501(c)3 and, as such, sponsorships are considered a charitable contribution. EIN: 27-4569299. Consult your tax advisor.

How can I make the most of my sponsorship?

All SDF Sponsors are encouraged to submit a program for the Festival! Showcase your team’s creativity and demonstrate the relevance of your organization’s work to a large public audience. As a benefit of sponsorship, your submission fee will be waived! ($100-$500 value).

Can I propose a project/installation without committing to a sponsorship?

Yes! For-profit businesses will be required to pay a proposal fee, but participation is not contingent on a paid sponsorship. We will be in touch in early April to share the 2024 Call For Proposals.

I have products to market. Does the Festival include booths or a trade show?

No. While Sponsors are eligible to propose a unique Festival installation, program or event, product marketing is discouraged. Participation in the Festival is driven by the goals that align with our mission: 1) highlight the value of your creative process; 2) provide an opportunity for community members to participate in design processes and for the public to influence design outcomes; 3) address or support work around urgent community problems; 4) inspire action and engage others; 5) showcase and celebrate design and our greater design community.
