ADU Showcase Project Submittal Form

This information will be used to create your project's entry for AIA Seattle's online ADU Showcase. AIA Seattle reserves the right to edit the information you submit.

Project Name   **Full Project Address***

                                                              *The address will not be made public, only the city

Architect Name/Firm Name   **Contractor Name**

Others to whom we should give design credit

Primary Contact Name/E-mail*   **Primary Contact Phone***

*This info will be listed on the website and available to the public; please indicate if you would rather not have it publicly visible.

Square Footage (include lofts; can be descriptive like 200SF garage, 400SF Living + 100SF loft)

Construction hard costs (can be approximate, like over $500/SF or over $400,000)

Date of construction

Text description of the project
- Basic project description (e.g. types of rooms, specific features)
- Design criteria (e.g., built for extended family, rental income, aging-in-place or accessible design)
- Design challenges (e.g., small-space design strategies, off-street parking solutions, tree preservation)
- Other relevant info

Exhibits
Please submit via email (along with this form) up to 12 exhibits (photos, floor plans, site plans, etc.). **These must be in jpg or png format and under 5mb each.** (We can accept PDFs, but they will show up differently – as links rather than appearing directly on the website. If you need help converting documents, let us know.)

Please identify which one photo you would like used as the main image of your ADU on the Showcase homepage (example here). It will be accompanied by the project name listed above.
