Have you been a mentor for an IDP candidate before? Yes No

What regular day(s) of the month would you be available to attend a Laddership Group?

Note: all existing groups meet one day a month after work on Tuesday, Wednesday or Thursday evenings.

What do you hope to bring to the mentoring process?

Have you had an experience in your own professional growth where you received positive mentoring?

What kind of training and support would be helpful to you in developing your mentoring skills?

Please provide some additional information about yourself that would help with identifying a strong Laddership partnership. For example, you can describe the type of architectural work you have done or are interested in doing, your personal hobbies, and places you've lived or traveled.
