COLLEGE/UNIVERSITY STUDENT APPLICANTS

1. Indicate which School of Architecture you are attending, and attach a copy of your Notice of Acceptance:

2. Attach a copy of your last two year's transcripts.
3. Advisor's name and telephone number:

4. In 500 words or less, please tell us why you chose a career in Architecture, and your longterm goals in the field of Architecture.
5. Attach a copy of no more than three projects that best illustrate your education to date. If a project is a joint product with other individuals, please identify which aspect of the work is your own. Do not submit models – photographs will suffice. Submit a Program Statement for each project
6. Include in the application a headshot (max. 300 dpi / 6MB) and brief bio (max. 200 words).

HIGH SCHOOL STUDENT APPLICANTS

1. Indicate which School of Architecture you intend to apply to or have applied to and are awaiting Notice of Acceptance:

2. GPA: _____

3. In 500 words or less, please tell us why you intend to pursue a career in Architecture, and your longterm goals in the field of Architecture.

4. If you have taken classes in Architecture, Design, or Drafting, provide examples or work. Do not submit models – photographs will suffice.

5. Include in the application a headshot (max. 300 dpi / 6MB) and brief bio (max. 200 words).

Use pdf format for the application, maximum size of 8 MB, 7 pages.

Please return this application and all attachments to Christine Baldwin, AIA Northwest Washington Committee Chair at aianww@aiaseattle.org.

Under perjury of law, I do hereby claim that the above information, and all attachments, is accurate and truthful.
